

DELICIOUS LEGS™

FABULOUS COLLECTION

Ultimate Bronzing Formula with a flush of warmth
Dead Sea Mineral Complex & Skin Illumination

FEATURES:

- Extreme bronzing blend with instant and delayed bronzers
- Warming complex
- Anti-aging and skin-firming benefits
- Dead Sea Mineral Complex
- Fresh Mango fragrance

BENEFITS:

- Blended with multiple accelerators and tyrosines to stimulate the tanning process for fast, dark tanning results
- Dead Sea Mineral Complex – repairs skin damage, improves tone & texture, increases elasticity and works to reverse the signs of aging
- BodyFit – reduces the appearance of cellulite and promotes firmness
- IdealLift - fights against skin sagging and improves skin elasticity
- Cocoa and Shea Butters - provide immediate and long-term moisturizing benefits

KEY SELLING STATEMENT

DELICIOUS LEGS™ is a an extreme leg bronzer with a fabulous warming complex. The bronzing blend has been formulated to give you immediate color as well as dark, dramatic results within two to three hours following your tanning session. The unique Dead Sea Mineral complex combines with IdealLift and BodyFit technologies that will work to repair skin damage, improve the skin's tone and texture, increase elasticity, reduces the appearance of cellulite and reverse the signs of aging. Cocoa and Shea butters are used to help to soften, nourish and condition the skin and the Fresh Mango scent will have you feeling relaxed and refreshed.
